2

Question

Type the question here

Answers

Check the box if the question has a correct answer

Fill the answers with the correct order

Click "DONE" button to exit

A screenshot of the 'Create a ordered list activity' form. The title is 'Create a ordered list activity'. There is a 'Question' field with the placeholder text 'Please give correct order of following letter'. Below it is an 'Answers' section with the instruction 'Input items in the correct order (if applicable) - they will be randomized during presentation.' There are four checkboxes: 'Has a correct answer' (checked), 'Require justification' (unchecked), and 'Require justification' (unchecked). Below the checkboxes are four input fields labeled A, B, C, and D, each with a close button (X). There is an 'ADD ITEM' button. At the bottom, there are three buttons: 'CANCEL', 'PREVIEW', and 'DONE'. The 'DONE' button is circled in pink.
