1

In the presentation interface, there are several classroom tools, you can

1. Take notes
2. Join a discussion
3. Ask new questions in discussion
4. Bookmark content
5. Set flags for confusing content

2

## Note Taking

Once in a Classroom, you can take notes while viewing the presentation. This can be particularly useful if you make a note of an item from the class for reviewing again.

(Note will only be shown to you only)

## Discussion & Asking

You can click  to enter the discussion of the slides

If you have a question while viewing a classroom presentation, or want to respond to a question someone else asked about the class, click the .

## Bookmark Content

Bookmarks let you mark the locations in presentations or videos, so you can find them quickly and easily, without having to search through the presentation/video.

## Set Flags for confusing content

Flags let you mark locations and materials that you find confusing or items that you feel the instructor may need to explain further to you or the class.
