

PARTICIPATE IN FORUM

1

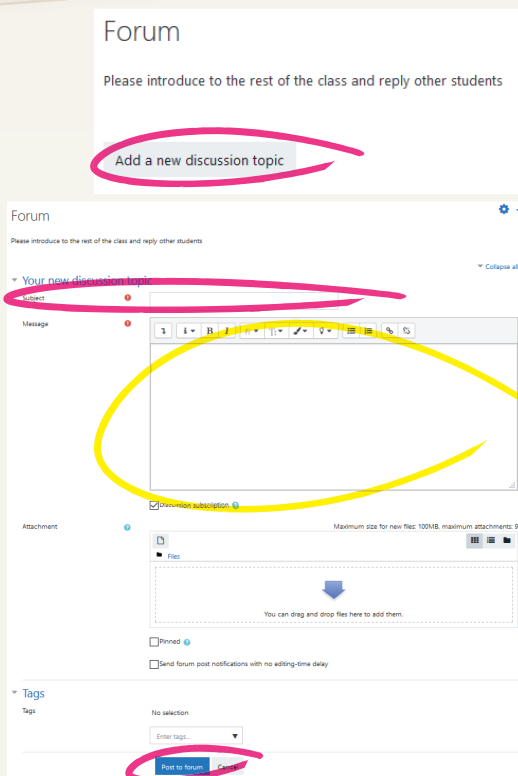

In your courseroom, click on **the forum activity** created by your instructor.

2

In the forum main page, you can add a new topic or you can reply to the topics posted. By adding a new discussion topic, please click **“Add a new discussion topic”**.

You need to write down the topic subject and message, also you can add a file as an attachment. Click **“Post to forum”** at the bottom of the page.

3

After the post, teacher/students can reply on your topic by clicking on the topic. Each post will have a **“Reply”** button to let you reply that message.
